Monthly Pet Budget

Annual Projection & Savings

Annual Cost Projection

Average monthly expense: \$ _____ x 12 months = \$ _____

Add: Annual expenses (vaccines, license, etc.): \$ _____

Add: Emergency fund contribution: \$ _____

PROJECTED ANNUAL COST: \$

Savings Opportunities

- Buy food in bulk or subscribe for discounts
- Compare pet insurance plans annually
- Use low-cost vaccine clinics for routine shots
- DIY grooming between professional visits
- Look for generic medications (ask your vet)
- Check for free/low-cost spay/neuter programs

Notes & Goals
